COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant has reviewed the Examiner's Statement of Reasons for Allowance mailed on July 28, 2006, and wishes to submit the following remarks. The statement paraphrases, as reasons for allowance, several limitations from independent claim 27. Applicant wishes to point out that claim 27 contains other limitations that render the claim allowable. Also, dependent claims 28-51 recite limitations which, in combination with their base claim, render the dependent claims allowable.

In addition, Applicants wish to note that statements regarding prior art contained in the Examiner's Statement. The Examiner's Statement was not prepared by Applicant and only contains the Examiner's possible positions. Thus, any interpretation with respect to the Examiner's Statement should not be imputed to the Applicant.

Otherwise, Applicant agrees with the Examiner that the allowed claims distinguish over the prior art.

Dated: October 30, 2006

Respectfully submitted,
